

THE VISION FOR CENTRE STREET UNITED METHODIST CHURCH

THE MISSION OF CENTRE STREET UNITED METHODIST CHURCH

We believe that every person, Christian and non-Christian alike, is valuable to God and to God's Kingdom and that God's Word is the supreme authority; that love and caring relationships are the key to every endeavor, that each member needs to be encouraged and supported in committing to a lifestyle of consistent spiritual growth with honest accountability; and that each person is a minister with spiritual gifts to be discovered, developed, and deployed; wherein we strive to identify and train leaders for effective ministry.
